Pathways Certificate of Completion

Pathways is designed to be completed in one year. However, a participant has up to four years from the year of registration to complete the course.

A Pathways Certificate of Completion is awarded to a participant who has attended all fifteen evening sessions and two workshops and paid the course fee in full.

A Pathways Certificate of Completion satisfies all requirements for the Basic and Permanent Certification of Diocesan catechists.

PATHWAYS

Let your faith "seek understanding" about what it means to be Catholic Disciples of Jesus Christ who are called and gifted by God for others.

Pathways represents the Diocese of Greensburg's long-standing commitment to adult faith formation and nurturing mature discipleship.

To this end, Pathways participants are invited to explore what it means to be faithful disciples of Jesus Christ in our own historical time and place; to know the faith, to make it our own, and to share it with others.

Pathways includes an opening workshop, fourteen evening sessions, and a closing workshop. We address the many callings, different gifts, and roles disciples are called to place in service to the mission of Christ and his Church.

Pathways gives participants the opportunity to gather together to learn and experience their faith, their identity as Christian disciples and how they will continue to grow in their relationship with Jesus and be witnesses to the risen Lord.
