

A Wedding is a Day....
A Marriage is a Lifetime.

What is an Engaged Encounter Weekend?

It is a time for a man and woman, preparing for the sacrament of marriage to concentrate on building and deepening their relationship and commitment. Free from the pressures and distractions of daily living, the engaged couple has the opportunity to concentrate exclusively on each other while examining the essential issues they will encounter within marriage.

What Happens During The Encounter?

A team of two trained married couples and a religious facilitate and guide the weekend. Team presentations involve personal sharing on marriage and family issues. The design of the weekend encourages the engaged couple to privately explore their personality styles, family of origin, values, goals, and attitudes, concerning family life, children, sexuality, finances, the Church, and society.

“A Wedding is a Day: A Marriage is a Lifetime” Much information is covered during the encounter. It is a **working weekend** – a time to prepare for this lifetime commitment. The Engaged Encounter weekend fulfills the requirements for Marriage Preparation in the Greensburg Diocese.

Who is Eligible?

The weekend experience is designed for a man and woman preparing for the Sacrament of Marriage in the Catholic Church.

Where are The Encounters Held?
