Catholic Scouting is a time-honored—and fun—way to support you in raising your children to become responsible, well-rounded adults who are good citizens and faithful Catholics. Catholic Scouting develops a wide range of skills, strengthens core values and helps kids grow in their Catholic faith—while having a ton of fun! Catholic Scouting is also a great way to encourage your kids to put down their electronics and engage in real-life activities.

Young people involved in Catholic Scouting have the opportunity to earn Religious Emblems and Religious Activity patches by completing faith-focused activities and projects. These activities and other Catholic Scouting programming reinforce what your child is learning here at INSERT NAME OF Catholic school.
