

## *December Faithful Challenge: Embrace Eucharistic Revival*

Eucharistic Revival is alive and well in our faith community! Over the last year, thousands of people responded to Bishop Kulick's weekly faithful challenges on social media. And it truly has made us a more Eucharistic Community. In December, as we celebrate both the Advent and Christmas seasons, we urge you to once again accept his challenge and open your heart and mind to the power of the Eucharist! Whether it be placing an Advent wreath in the center of your home, attending daily Mass or a Mass with the Bishop, or even saying a prayer for the Eucharistic Revival, you join with the living Body of Christ.
