Catholic Scouting is a great way to encourage your kids to put down their electronics and engage in real-life activities that develop a wide range of skills, strengthen their values, teach them how to serve and lead in our community – and help them grow in their Catholic faith! Scouts learn skills that will serve them their entire lives like how to collaborate, problem solve and communicate well with others. Catholic Scouting is a proven—and fun—way to support you in raising your children to become responsible, well-rounded adults who are good citizens and faithful Catholics.

Young people involved in Catholic Scouting have the opportunity to earn Religious Emblems and Religious Activity patches by completing faith-focused activities and projects. These activities and other Catholic Scouting programming reinforce what your child is learning in Catholic school or in parish faith formation.
